Techo-Bloc

Fire Pits and Burners

When you're entertaining outdoors, create unique spaces that will make your guests want to linger longer-Fire pits and fireplaces will do that and more as they act as a natural gathering space and become instant conversation starters . Choose from clever or classic finishes (or even try mixing it up a little), in made-to-match colors that harmonize perfectly with our other stone features. Whether you're seeking clean and contemporary lines, rustic earthy inspiration, or traditional outdoor spaces, evenings by the fire never looked so good

BELLA™ PREBUILT FIREPLACE®

Stacked flagstone has been used for centuries in small garden walls and pillars. Built from the award-winning Rivercrest Wall system, the Bella prebuilt fireplace gives you the character and flexibility of natural stone with the durability, affordability and ease of installation of manufactured concrete.

COLORS

BRUSSELS DIMENSIONAL STONE®

Brussels Dimensional Stone has the same antiqued patina as the classic Brussels Block paver. Reflecting the cues of quarried stone, it brings similar timeless warmth and relaxed appearance to any project. Its simple design makes it a popular choice for constructing garden walls, steps, pillars, outdoor kitchens and other landscape features. Round or square firepits can be custom designed using Brussels Dimensional, or choose a simple-to-construct, Sunset firepit kit.
