Outdoor Kitchens / Grills

Blaze 36-Inch Stainless Steel Outdoor Vent Hood

- A high performance 1000 CFM 4-speed blower clears your patio of smoke
- Commercial style baffles help prevent grease from entering duct work
- Extreme performance allows the hood to be installed higher above the grill
- Controls have LED lighting to make it easier to see and adjust settings

BBQGuys Signature 16-Inch Stainless Steel Double Access Drawer With Paper Towel Dispenser

- Heavy-duty 304 grade stainless steel construction matches with any brand of grill made from 304 stainless
- Made in the USA with globally sourced parts
- Drawers glide easily on commercial grade rolling tracks, and top drawer includes a paper towel holder
- Flush mount installation provides a streamlined, clean appearance

Blaze Professional LUX Built-In Natural Gas High Performance

- Efficient design brings water to a boil in half the time compared to other power burners on the market
- Narrow width allows more room in your outdoor kitchen for another component or even just more counter space
- Cast stainless steel dual ring burner with independent controls for flexible heat control
- Red LED illuminated control knobs for cooking and entertaining at night

BBQGuys Signature 25-Inch Drop-In Ice Bin Cooler With Condiment Holder

- Heavy-duty 304 grade stainless steel construction matches with any brand of grill made from 304 stainless
- Made in the USA with globally sourced parts
- Includes a drain and condiment holder
- Corners are fully welded, ground smooth and blended with a flush mount installation providing a streamlined, clean look

Blaze Prelude LBM 25-Inch 3-Burner Built-In Natural Gas Grill

- Durable 304 stainless steel construction to outlast the elements
- Heavy duty 8mm stainless steel rod cooking grates allow for maximum searing capability
- Commercial-grade 16 gauge 304 stainless steel tube burners deliver an impressive 14,000 BTUs each
- Push & Turn flame-thrower ignition ensures quick and reliable startup every time

Le Griddle Wee 16-Inch Built-In / Countertop Propane Gas Griddle

- 1/2 inch enameled cast iron sub-plate provides even heat across the cooking surface
- Battery powered push-button electronic ignition quickly and reliably lights the burner
- For safety, a thermocouple valve shuts off the gas in case of flame outage
- Convenient design is ready for countertop or built-in usage out of the box

Outdoor Kitchens / Grills

Blaze 20-Inch Cast Aluminum Kamado Grill

- Blaze offers a best-in-class, lifetime warranty to give you ultimate peace of mind
- Top-of-the-line durability thanks to solid cast aluminum construction
- Excellent heat, smoke, and moisture retention due to its tongue-and-groove seal
- 304-grade stainless steel, spring-assisted hinge makes opening the lid easy

Memphis Grills Pro ITC3 Wi-Fi Controlled

- True convection cooking with DC motor and variable blower
- 18 lb. dual-bin pellet hopper (mix and match pellet flavors)
- Temperature range of 180 - 650 degrees Fahrenheit
- Comes standard with direct flame insert, genie tool, and one meat probe

Blaze 21-Inch Portable 1500 Watt Electric Grill

- Flame stabilizing grids cover the entire grill to minimize flare-ups while you grill
- 1,500 watt heating element reaches up to 749 degrees Fahrenheit
- A 60 minute safety shutoff timer ensures the grill can not be left on by accident
- Multi-user approved with a 3-year commercial warranty

Electri-Chef Ruby 32-Inch Built-In 5280 Watt Electric Grill

- Great for use where gas grills are prohibited
- Compatible with 220 volt outlets for an adjustable cooking range from 150 to 600 degrees Fahrenheit
- Stainless steel cooking grids and removable grease trays for simple cleanup
- Built-in 10 to 60-minute timer for safety

Kenyon All Seasons Frontier Built-In 1300 Watt Electric Grill

- Concealed electric element provides fire-safe, flame-free and no-smoke grilling
- Digital touch sensor control panel provides precise heat adjustments
- Pre-heats in 7 minutes or less
- UL approved for indoor and outdoor use

Electri-Chef Diamond 48-Inch Built-In 8360 Watt Electric Grill

- Great for use where gas grills are prohibited
- Compatible with 220 volt outlets for an adjustable cooking range from 150 to 600 degrees Fahrenheit
- Stainless steel cooking grids and removable grease trays for simple cleanup
- Dual built-in 10 to 60-minute timers for safety

Outdoor Kitchens / Grills
